Pursuant to 79-444 (State of Nebraska School Law Book) any child entering the beginner grade must have a physical examination by a qualified physician within six months prior to the entrance of the child into the beginner grade and the seventh grade, or, in the case of a transfer from out of state, to any other grade of the local school, except that no such physical examination shall be required of any child whose parent or guardian objects thereto in writing. The cost of the physical should be borne by the parent or guardian of each child who is examined.
